The third edition is equal to the 2nd. And the new quantitative and verbal reasoning also the first edition. The unique thing I could do is practice with good quality questions such as mgre or our test. Link in my signature. Then use the official material and the official preparation software. Under this light, I blame ETS because it makes no sense to go out with a new OG and not add new questions. (Oct 2002) vs. the Great Book (Oct 1995), please? It seems to me that the subsequent edition (Oct 2002) is a subset of the Big Book; but those "new" 7 practice tests are identical to the previous 27 'olds' that had already been published in the Big Book. Verbal Expert Joined: 18 Apr 2015 Posts: 21830 Re: ALL GRE Official Guides [Directory] [#permalink] 26 Jan 2020, 05:32 ETS has simply taken those seven tests to the 10th edition of OG FROM the Great Book.
